

AS SEEN IN NOVEMBER 1, 2008

## BUYING GUIDE

**91** **Waterstone 2004 Reserve Cabernet Sauvignon (Napa Valley); \$75.** Shows a marked improvement over any Cab Waterstone has produced, a rich, layered wine that should improve in the cellar. Bone dry and thick in tannins, it shows deep flavors of black currants, baker's chocolate and herbs. Decant for a few hours if you're drinking it now, or stash through 2012.
