Brilliant raspberry color. The nose is wonderfully fresh and complex with scents of cherry and plum with accents of earth, clove, allspice, and oak with hints of campfire embers. The palate echoes the nose delivering beautiful contrasting flavors of sweet and tart cherries with hints of tar, oak, vanilla bean, and brown baking spices. Ideally balanced with true Pinot character. Offered at a sensible price as well.

Distinctive; the nose delivers spice, smoke, interest, and intriguing cherry bomb fruit with vanilla and fast oak streaks. From first taste the palate lets you know it's going to be tough to put down. All the aromatic qualities carry through to the palate in technicolor. A rocking price from a grooving Carneros Pinot.
