2013 STUDY IN BLUE RED WINE, NAPA VALLEY

Vintage

A warm, dry spring brought early bud break in 2013; we experienced ideal conditions for flowering and fruit set. With the exception of one heat spike in late June/early July, temperatures were consistently in the zone for optimal vine activity. Early ripening varieties came off the vines by early September, with perfect ripeness and ideal hang time. Two brief mid-September rains had virtually no impact, as sunny weather dried the grapes almost immediately. Cool, sunny weather throughout October allowed great flavor development. Overall, the 2013 harvest was early, even and excellent.

Vineyards

Well-established hillside vineyards are the foundation of this wine, giving the finished blend its intense inner core of fruit. The Cabernet Sauvignon, Cabernet Franc and Petit Verdot grapes were sourced from hillsides of Oakville, Rutherford and Spring Mountain District. Merlot and the Syrah were drawn from Truchard Vineyards in northern Carneros.

Vinification

The grapes were hand picked at optimum ripeness. Following destemming, the grapes were stainless steel-fermented and received extended skin contact before being transferred to barrels. The wine was aged in small French oak barrels for 30 months (80% new barrels) where the wine completed malolactic fermentation. The wine was racked prior to bottling.

Tasting Notes

With its blue hues and pronounced blueberry aromas, this distinct blend (61% Cabernet Sauvignon, 23% Merlot, 14% Syrah, 1% Petit Verdot, 1% Cabernet Franc) is a study in blue. Bordeaux varieties provide the framework, while Syrah transports the blend to a realm all its own. It's simply, Kind of Blue.

Technical Data:

Varietal Composition	61% Cabernet Sauvignon 23% Merlot 14% Syrah 1% Petit Verdot 1% Cabernet Franc
Appellation	Napa Valley
Alcohol	14.7%
TA	0.60 g/100ml
pH	3.72
Oak Aging	30 months
Oak Cooperage	French oak, 80% new
Bottling Dates	August 31, 2016
Production	800 cases
