## ✿ 87 Waterstone Chardonnay Carneros 2005

From its properly ripened, fresh-apple aromas to its rounded, oak-enriched, fruit-focused flavors, this very clean, well-defined Chardonnay hits all the right varietal marks. It is smooth and slightly oily in feel with a nice note of finishing firmness, and if it wants a bit more concentration to win higher scores yet, it is a friendly and wholly enjoyable offering suited to warm-weather drinking in the upcoming months.
